FOREWORD

The Educational Resources Information Center on Adult, Career, and Vocational Education (ERIC/CE) is one of sixteen clearinghouses in a nationwide information system that is funded by the National Institute of Education. One of the functions of the Clearinghouse is to interpret the literature that is entered in the ERIC data base. This paper should be of particular interest to State Education Department personnel, educational researchers, program planners, and local education personnel.

The profession is indebted to Catherine Thompson for her effort in the preparation of this paper. Recognition is also due to Dr. John Peterson, Senior Research Specialist at the National Center for Research in Vocational Education, who served as consultant on this project. Robert D. Bhaerman, Assistant Director for Career Education at the ERIC Clearinghouse on Adult, Career, and Vocational Education, coordinated the publication's development. Bonna Somerlott, Colleen Donaldson, and Cathy Kendall typed the final draft.
